Happy Friday! This weekend, I'm taking the time to relax and focus on being happy, healthy and sane during my day-to-day living. The cold weather is a bummer, but that doesn't mean we can't have all kinds of fun indoors.

AT THE BAR

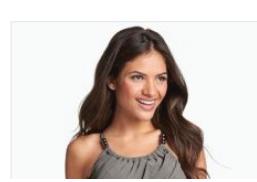

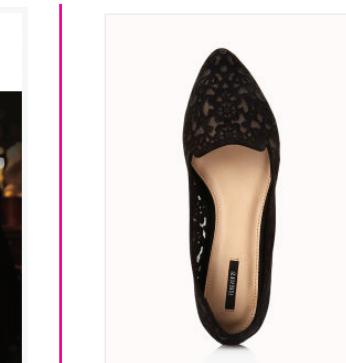

Loving this men's suit simply worn with a vintage blouse and a fur collar.

I photographed Lara at the Marlon, a hotel that just opened two blocks away from my apartment and I'm spending my life there. It's the perfect place to go write by the fireplace and have meetings. The exact thing I need around. Too bad it's also at the exact moment we're moving!

Would you wear an ensemble like that? Not sure it works on me, but I sure love it.

Lara is wearing a suit by Saint Laurent.
